

Philadelphia Sports Club Swim Team

Code of Conduct

Enrollment and participation in the PSC Swim Team is contingent upon acknowledgement and acceptance of the following principles of conduct:

- 1) Swimmers are supervised only by coaching staff. Parents are responsible for monitoring their children before and after the appointed time of practices and meets.
- 2) Parents are responsible for having each swimmer on deck in time for scheduled practices and meets and for retrieving them afterwards.
- 3) Unsportsmanlike conduct, including profane language, disregard of coaching instructions and disrespect for the decisions of the judges is not permitted.
- 4) Theft or vandalism of team equipment is grounds for dismissal from the team. This also included swimmers infringing upon their personal property of other fellow swimmers.
- 5) Alcohol, tobacco and illegal drugs are strictly prohibited from the pool area.
- 6) Parents are discouraged from approaching the coaches with questions regarding their children during practices or meets.
- 7) Questions regarding swimmers are welcome and may be addressed by delivering a note or email to one of the coaches. Remember that it is your role to support and encourage your swimmer as a loving parent. No one can spur your swimmer to greater achievement than you can. The task of instructing and training your swimmer falls to the experienced coaches in whom you have wisely placed your confidence.
